Contact Time

- Lectures
 - Delivered by Janka
 - Slides and videos from Covid times available weekly on Moodle
- Tutorials
 - Delivered by either Janka or Dr Paolo Serafino
 - Worksheets available with solutions weekly on Moodle
 - 5 Groups
 - Work through the worksheet solutions
 - Kahoot quiz for revision
 - ‘Tutorial 0’ available as revision of concepts from DMAFP needed for this module

Assessments

- 50%, 90 minute In-Class Test covering Part A - November 20th, 2pm
- 50%, 90 minute Exam covering Part B (Only) - TB1 Assessment Period (January)
- Deferred assessment covers both Part A & B, so will be harder than the two separate exams

There are two past papers (paper-based, but still relevant to the computer-based test) available for each of the assessments. As with DMAFP, the solutions are supplied in the form of a crowd-sourced document that Janka will check over before the exam.

Resources

Lecture slides, videos and tutorial papers are released every week. All of the books on the reading list are available online through the links on Moodle.
